4<sup>th</sup> January 2021

Dear Parents/ Carers,

As you will have heard this evening from the Prime Minister, schools have been directed to carry out remote learning. Regrettably, due to the very short notice, we will need to remain closed for all pupils on Tuesday 5<sup>th</sup> in order for us to receive final confirmations from parents and organise our key worker and vulnerable groups.

Therefore, school will open for key worker and vulnerable children on Wednesday 6<sup>th</sup> January. We will be in touch with those families tomorrow (Tuesday) with full details of groups and timings etc. All other children will carry out their learning remotely.

If you have not yet completed the questionnaire on the Forms section of Parentmail please do so before 0930 tomorrow so we can factor in all pupils who need to be in school.

We will also organise the distribution of devices tomorrow for those families who notified us of their need.

We are waiting clarification on the status of Free School Meals but we will offer either a packed lunch from school or vouchers as before. As soon as we have confirmation on that we will of course let you know.

Please see the website for home learning tools and provisions for tomorrow and we will start our interactive home learning from Wednesday.

As with the previous lock downs there will be no breakfast club or after school club provisions.

If you have any problems/queries please do not hesitate to call or email in the usual way.

I apologise once again for the need to take tomorrow to ensure the correct provisions are in place and thank you again for your kind words of support over the last few days.

We look forward to seeing everyone soon.

Kind regards,

J Elbourne-Cload
