CHJS Virtual Drama Club

We have a small number of places available for our zoom sessions in the Summer Term and would love you to join us!

Here's why our current members think you should:

'I love Zoom drama because it allows me to be creative with my friends. We have lots of freedom with props and ideas at home' Year 6 member

'We do really amazing projects' Year 4 member

"My son always has a great time at Drama Club and it certainly has helped with his confidence. It also helps me, knowing that for that 45 minutes, he is being kept entertained and occupied. It works really well over Zoom" Parent

'Zoom drama has been a godsend in our household. It has allowed our child to express his feelings, have fun and let off steam with his peers. It is the only online club he is excited to do every week!' Parent

About the club:

Our school Drama Club has been running since 2016, is open to **all year groups** to promote friendships and cooperation. During the COVID-19 period we have been meeting via zoom and we continue to have just as much fun but in the safety of our own homes. Times: **Wednesdays 4-4.45pm** on zoom.

Who runs it?

Music and Drama practitioner, Debbie Cameron, assisted by Karen Sheard. Debbie is known to most of the children as the Infants music and ukulele teacher and Karen as a parent. Both are enthusiastic, patient and experienced in working with a variety of children.

How does it work?

We begin with a full warm up, then fun drama games. Next, we work on small group pieces. There are approx. 5 children in each group and we use supervised zoom breakout rooms. We share work with each other at the end of the session. We sometimes record our projects to share with our families. This term we have devised alternative traditional tales including The Billy Goats Gruff as a Superhero movie!

What does it cost?

Only £40 total for 10 zoom sessions in the summer term (when we are back in person it will revert to £50)
