## **Year 2 – Science Lessons**

Dear Parents and Carers,

For our science lessons for the last two weeks of term, the children will be constructing their own habitat of choice. If possible, please could you provide your children with a small box (a shoebox or similar is ideal) in which to build their habitat. Please could this be labelled with your child's name and brought into school ready, for next Wednesday.

Many thanks

Mrs Walker-Smith
