Music Aptitude Test Preparation 2021

Dear Parents & Carers,

Preparing your child for the secondary transfer Music Aptitude Test can be a daunting process.

Our 11 Plus Music Test Programmes are designed to prepare, guide and support students through the music testing process.

For those students who are new to the secondary transfer Music Aptitude Test, the **11 Plus Music Test Workshops** provide helpful familiarisation in all four parts of the test with useful hints, guidance and advice.

The **11 Plus Mock Music Tests** provide the opportunity for students to familiarise themselves with the Music Aptitude Test in a formal setting under exam conditions.

The **Music Aptitude 1 to 1 Sessions** are designed for students who would like more in depth and focused practice after the Mock Music Tests.
