Dear Parents and Carers,

YEAR 3 SUBLIME SCIENCE VISIT – WEDNESDAY 12th MAY

As a way of providing your child with the best opportunity to find out about how the world works and foster a love of science, we have arranged for Sublime Science to spend the morning with us on **Wednesday 12th May**. Sublime Science provide engaging workshops and have worked alongside the British Science Association, National Science Museum and the Museum Of Childhood.

During their workshop, the children will have the opportunity to take part in many hands-on experiments and learn more about chemical reactions and how the world works. It is aimed at enriching their learning and to broaden their understanding.

The cost for your child to take part in the day will be £6.50. Payment can be made in the 'Payments' section in ParentMail.

We are extremely excited about this day. Hopefully, this will be an unforgettable experience for your child.

Yours sincerely,
The Year 3 Team
