

My World Rocks

CARING HOMES

Get involved in our My World Rocks Project this summer

Painted rocks are brightening the days of our residents - one colourful rock at a time. Join in the fun, paint your rocks and place them in our garden. Getting involved in 'My World' Rocks is easy, we'll be celebrating all week as part of National Care Home Open Week and throughout the summer. Contact us to arrange placing your rocks in our garden and help us create something great for the community, with the promise you'll be in safe hands.
