

July 2nd 2021

We are excited to announce that Wild World Heroes, Summer Reading Challenge 2021, will be running from Saturday 10th July to Saturday 4th September in libraries across the Hertfordshire.

The challenge is simple. We would like you to read **six** books (or more) over the summer.

How it works:

- 1) visit <https://summerreadingchallenge.org.uk/>
- 2) create a profile and pick an avatar
- 3) discover book recommendations
- 4) visit the library and borrow books
- 5) review the books you've read

This challenge provides the perfect opportunity for children to become familiar with the local library and all it offers. It is free to join the library, borrow books and to take part in the challenge.

I have already created my account. I've set myself a challenge of reading **ten** books! I will be reading books from the Cunningham Hill recommended reads list: **five** from the Year 3/4 list and **five** from the Year 5/6 list. The recommended reads lists are available on the Cunningham Hill website.

Best wishes and happy reading,

Mrs Dowden
School Librarian
