Books for the library

As a federation we are keen to purchase some new books for our two libraries in which all our children can relate to the characters in some way. We would love to purchase some books that specialise in diversity for children.

We hope that by relating to characters in their books it enhances their passion for reading and encourages their imagination for their writing.

This is totally voluntary but if you would like to contribute to this book drive we have set up a payment option in your Parentmail account.

Many thanks for your support.
