

Christmas Treeasy

Dear Parent,

We hope you all have had a good year with all the troubles so we feel it's time to bring some early Christmas Greetings and remind you of our fantastic Covid secure Christmas tree delivery & recycling service that Christmas Treeasy are able to offer through your school this year.

For every tree sold through your school, to both staff and parents, your relatives, friends and work colleagues, we will donate the sum of between £3 and £6 (size of tree dependant) to your school fund by the start of the end of the Christmas term.

Christmas Treeasy specialise in only the very best top-grade trees available, the non-drop Nordmann Fir Christmas tree, which we deliver free of charge direct to your home. For a small additional fee there is also the option of recycling, whereby we collect and recycle trees in the New Year. For all your tree needs we also supply tree stands and bags of logs too!

NEW for this Christmas we are now stocking **9ft and 10ft Nordmann Fir Christmas Trees** along with Extra Large Cinco stands for them! These are a special pre-order by 25th November only so if you fancy going really big this Christmas please get in early!

This year we have ten dates available for delivery (more dates may become available), our amazing trees are of short supply again this year due to Covid19 and the haulage industry issues, so please order early to avoid any disappointment.
