

Hello and welcome to the first PTA newsletter from your new team

Meet your PTA team

We are delighted to start the new school year and bring lots of exciting activities and events for kids and parents to enjoy. We aim to add a bit of fun to school life, bring the community together and raise essential funds for the school.

Keeping in line with the federation of our schools we have merged our previous two PTAs to become one - Cunningham Hill Schools PTA. We're hoping that, whilst adding the extra challenges of a larger number of children, with a greater age range, it will enable us to have more whole school events, creating a more cohesive school community, earn more funds and have even more fun whilst hopefully making it easier for families to plan their diaries!

With thanks

Last years' committees at both schools did a sterling job of continuing to raise funds and offer fun events for families to take part in throughout the Covid-19 pandemic and the resulting lockdowns.

I'm sure you'll join me in extending huge gratitude to all involved for their hard work, dedication and imagination in organising these events for us all to enjoy. Despite the very challenging circumstances they managed to raise a combined total profit of £13,596.

Once we've received full wishlists from both schools we will publish how we're going to spend the money raised and what we're going to spend the next year raising money for. Watch this space!

Coming up...

8 OCT	3 PM	Christmas Card Deadline to return artwork
12 OCT	9:15 AM & 2 PM	Guess the weight of the cake Infant School Harvest Festival
