## Year 3 Stone Age Day

Thurs 18<sup>th</sup> November 2021

Dear Parents and Carers,

On Thursday 18<sup>th</sup> November 2021, Year 3 will be experiencing a Stone Age Day run by 'Outback2basics' where a real-life 'caveman' will visit our school. The workshops will be highly interactive and hands-on, offering a real 3D learning experience to bring the Stone Age alive. There will even be a real mammoth tooth to pass around!

In 2019, 'Outback2basics' filmed a 3 part Stone Age documentary 'Surviving the Stone Age' for Channel 4. They have lots of stories to share with the children of their adventures in the Bulgarian wilderness living as part of an authentic Stone Age tribe.

This will be an exciting opportunity for the children to immerse themselves into a Stone Age timeline, taking the children on a journey from the Palaeolithic through to the Neolithic and modern day. To ensure the children get the full experience, we would love for them to come dressed up as a person from the Stone Age! We do not expect parents to purchase a caveman costume, a simple dark colour t-shirt or similar will more than suffice.

The cost of the day will be £10.00. Payment should be made via Parent Mail.

If you have any questions about the workshop, please do not hesitate to contact of the class teachers.

Yours sincerely,

Miss Hickson and Miss Saunders
