Coming to school in P.E tracksuit

Dear Parents & Carers,

This year, as part of our Sports Premium Plan, we have been endeavouring to ensure the children have more opportunities for outdoor PE. However, to ensure that this is a positive experience the children need to be correctly and warmly dressed.

On evaluating our timetable and trying to maximise our curriculum time post lockdown, we would like to reduce the time lost by children changing for P.E . Therefore, from **Monday 7<sup>th</sup> February** and for the rest of this academic year, we will ask children to come to school wearing their P.E kit on their two days of P.E. We would still expect children to wear full school uniform on their non-PE days. Junior pupils will not be coming to school in P.E kits, as children should be able to change much quicker by the time they reach Year 3.

As this will involve whole year groups not wearing school uniform, we would like to extend the use of our school tracksuit set for all infant children.

In order to support parents in purchasing school tracksuits, we will be subsidising them from our Infant Sports Premium budget. This would be a cost to parents of £7.00 per tracksuit unless for a Pupil Premium child, where they will receive their first tracksuit free of charge. If parents would like obtain their own tracksuit we would ask that it comprises of a plain purple hoodie (without drawstring) with black bottoms. School tracksuits can be ordered from our school ParentMail.

Please be aware if children are taking part in active clubs after school, they will need to get changed at school prior to the club if not on their P.E day.

We will be using the tracksuits in both schools going forward, however, we will review the changing at the end of the year to decide if this is something we want to keep in place long term.

Our P.E days are as follows:

EYFS	Wednesday
Year 1	Monday & Thursday
Year 2	Wednesday & Friday

Kind regards,

Ms Justine Elbourne-Cload  
Executive Head
