Dear Parents and Carers

We are the School Councillors and wanted to write to you. This is the amount of lost property in our school since September 2021.

We could have no lost property if you just 'LABEL IT' please.

"All items in the bag and the bag should be labelled clearly." Suman
"Put your name in, otherwise your child will come home without it." Alaqsa
"If you attach your gloves to your coat, you won't lose them." Thomas
"Put everything in your pockets, you won't lose them on the floor." George
"If you lose a keyring, put your name on it." Cason
"Write your name in a sharpie pen, it won't wash off." Ava

If you would like to purchase name labels, we have a link with www.stikins.co.uk. If you use the code 5498, every purchase raises money for the school.

Thank you for reading our letter.

Suman, Alaqsa, George, Aiza, Elise, Thomas H, Cason and Ava
