

23rd March 2022

Monday 28th March – Class 3 Skills Builder Bread Day!
Invitation & Ingredient Request

Dear Parents/Carers,

Next Monday 28th March 2022, Class 3 will be making their bread. This is part of our Skills Builder project, where children have been working collaboratively to design and produce bread products good enough to be sold in a supermarket! Therefore, we would like to invite you to join us from 3pm on Monday 28th March to look at their bread products and watch their presentations. Please note, we might be finished slightly after 3:20pm. At the end of the school day, the bread from each company will be divided up equally between the children that were in that company only.

Optional Additional Ingredients

The school will be providing all of the main ingredients, however, I have allowed each company to choose some optional ingredients to add to their bread products. If your child informs you of this at home, please can you ensure that their additional ingredient is brought into school on Monday in a **named container**. Please also note that **no nut** products can be brought in. If their optional ingredient requires cutting, please can this be pre-prepared at home.

I look forward to seeing you again next week!

Kind regards,
Ms Lusby
