Dear Parents,

Thank you for supporting chess club. The chess club has had an excellent learning curve and now able to play a game of chess. We continue the chess trails challenge in summer term 2022. We are hoping to take part in friendly chess matches.

"Fun with Chess" is designed to inspire children from Y3– Y6 to improve their mental agility by playing chess. The skills acquired in learning chess will enhance your child's logical thinking and rational alertness. Each session consists of casual games, interactive puzzles and a lesson from our chess syllabus.

Children are welcome whether they are complete beginners or have basic knowledge of chess. The chess club resumes in the summer term on 26th April and concludes on 12th July 2022 (excluding half term on 31st May). The fee for this term is £66.00. Please note that fees are non-refundable in the event of absences or closure of the school for any reason.
