# HEADS UP

Friday 22 April 2022

Welcome back to what promises to be another busy Summer term.

## Summer Sun

Our recent spell of warmer weather is a good reminder of the importance of being safe in the sun. With that in mind, all children should have their school caps (named) with them every day and a freshly filled water bottle. On very hot/sunny days children without a hat will have to sit in the shade. Could we also remind parents that no children should be wearing boots or long sleeved t-shirts under polo-shirts.

## Baby News

We would like to congratulate Ms Mackay and family on the safe arrival of their baby girl, Thea, during the Easter holidays. We hope the sleepless nights are few and far between!

## Cunningham Hill Crossing Patrol

Thank you for the very generous donations for Carol Sandvoss, who retires as our crossing patrol after 40 years with us. We will be making a presentation to her in an assembly next week.

## Parent Questionnaires

Parent questionnaires are still available on the forms section of Parentmail and will be available until the end of this weekend, so please do fill one in if you haven't yet had the opportunity.

## Professional Assemblies

Now that we are having visitors back in school, we are keen to re-launch our professional assemblies. If any parents are willing to come and talk to our children for 10 minutes about their profession (this could be a planned talk, or questions and answers). Please let the school office know and we will arrange a suitable date with you. One area we are particularly interested in are any professions with a specific mathematical focus.

## Parentmail becomes Arbor

After half term, we will be moving over from Parentmail to Arbor. We have already moved to Arbor within the schools, but we will then be rolling out the parent section. We are hoping that this will be more streamlined and timesaving as we will both school and parents will be working from the same system. Further information for how to access Arbor will be sent out to parents nearer to the time.

### PTA meeting

There is a Federation PTA meeting on Tuesday (26<sup>th</sup>Apr) @7.30pm at the Junior School. This is open to any parent who would like to come and find out more about the PTA.

### Queen's Jubilee Celebration

The children will be having a Jubilee themed picnic lunch on Tuesday 7<sup>th</sup> June out on the field as part of our Jubilee celebration. Parents are invited to come and join their children for lunch. More information will follow nearer to the time.

### Clubs

A reminder that clubs start next week (except infant golf that starts the following week). Please remind your children to tell the teacher who runs their club if they are not able to attend - this saves time checking if they haven't turned up. Infant clubs finish at 4pm and Junior clubs at 4.20pm. There are still spaces in tennis club (Infants) and some of the external Junior clubs. Signing up for clubs run by young leaders will be done within school.

We have attached the usual 'Dates for the Fridge' but please remember to check out the school website regularly for dates and news.
