

Summer Term Curriculum Letter

Dear Parents and Carers,

Welcome back for your last Summer term at Cunningham Hill. We hope you all had a lovely break. As you will all know, we have SATs week coming up on Monday 9th May – Thursday 12th May. Can we remind you that all children **must** attend school that week. We will be inviting the children in for breakfast to help keep a relaxed atmosphere - further details will follow shortly.

This year, children will be taking part in an enterprise project, where they will set up their own companies, advertise and sell their product to the rest of the school. Families are invited to join us on 20th May from 2:30pm. There will be more information about this closer to the time.

During the term, we will be continuing to prepare the children for their transition to secondary school. This will entail activities being run by us and outside organisations, as well as the secondary teachers visiting us so the children to get to know them. The children will also spend the day at their new secondary school on 14th July.

Other Year 6 dates for your diary:

- SATs week (9th – 12th May)
- Enterprise Day (20th May)
