

Welcome to the summer term CHS PTA newsletter

And just like that we find ourselves in the final term of 2022, our first year as a combined infants and juniors PTA.

Facebook

Those of you who are in our Facebook group will have seen the substantial cheque we were able to write at the end of last term, thanks to this and previous years fundraising efforts.

There are lots of new things dotted about both schools that we've paid for: new carpets, new goal posts, new toys for playtime, new instruments and more.

Our biggest expenditure is yet to be installed; big, colourful and engaging playground markings will be going down over half term. These promise to really brighten up our playgrounds and due to their thermoplastic composition will hopefully last for several years.

Our Facebook group is a great way to keep up with all things CHS PTA and to receive updates and reminders and about events.

Planned works

There are other playground improvements in the pipeline, including a refresh of the boat in the infants playground and we're hoping to launch an ongoing project to improve and maintain the enclosed garden area in the juniors.

This will initially require a good clear out but will also need some ongoing care, occasional pruning and light wedding for e.g.

If you are interested in being a Garden Guardian then please do get in touch either through your class rep or email us at chs.pta@outlook.com. With just a little work, this has the potential to be a lovely peaceful space for the children to enjoy.

Jubilee Cream Tea Sales

As part of our school celebrations for the Jubilee, the PTA will be selling pre-ordered cream teas for parents to enjoy at the Jubilee picnic on Tuesday 7th of June.

Two delicious scones, generous cream and jam and bottomless tea!

Please note, these are not intended to replace the children's lunches and they will need to be collected by the adult named on the order.

Your children will also be invited to wear a red, white or blue accessory on the day of the picnic. Pay £1, if you're able.

Doughies Pizza Kits

We've signed up for a Doughies delivery on Friday June 17th, just in time for Father's Day on Sunday 19th.

Doughies provide delicious artisan pizza kits which you make in your own oven at home. The kits will be available to collect on Friday afternoon at school pick up time.

If your children are going to Owls please leave a note at the checkout and we'll take your kit over to Owls to go in their fridge until you collect your child (and your pizza kit!).

Sales open until June 11th.

amazon smile

Amazon Smile is a website operated by Amazon. It features the same products at the same prices as the standard Amazon site. The only difference is, when you shop on Amazon Smile, the Amazon Smile Foundation will donate 0.5% of the cost of all eligible products to your chosen charity, which is hopefully CHS PTA!

It doesn't change your Amazon shopping experience at all, won't cost you a penny and earns us money! You can use it on the desktop site or the mobile app and you only need to set it up once and it's done.

See this link for instructions.

Ice Lollies

Once we've settled into a period of dry, warm weather (hopefully within the next couple of weeks!), we'll be selling ice lollies in the playgrounds again each Friday after school.

To be able to do this every Friday we'll need lots of volunteers. It's fast and furious, usually all over in about 15 minutes, the children love it and it's a good earner for us.

If you know any dates you can commit to now please let us know by emailing chs.pta@outlook.com and we'll add you to the list for those days. We will also put a call out for volunteers just prior for those whose schedules aren't so set.
