THE SCIENCE OF GOAL SETTING

OLLIE's big mission is to offer hope to overcome life's obstacles.

No young person should feel that the challenges they face are simply too big for them to handle.

If you are supporting a child who may be struggling through a transition period: from primary to secondary school, starting their A levels/GCSEs, or heading off to university, come along to our online

Transition Goal Setting Workshops.

ONLINE

JUNE 30TH
19.00 -
20.00

For Parents/Carers:

Summary talk ahead of July's session for young people to learn the same process and strategies they will so you can support them plan both their BIG aspirational goals as well as how to overcome their biggest obstacles and challenges. [Find out more and book here.](#)

GOALSETTING
TRAINING

ONLINE

For Young People:

Discover how to reach your goals as well as reduce stress and the overwhelming feelings we can all experience when we are facing a new beginning or transition.
