

Summer Term 2022

New school dinner system on Arbor – from 11th July

Dear Parents/ Carers,

As we move from ParentMail to Arbor on 11th July, this means that the school dinner system will change.

Parents will no longer be required to book meals in advance. Instead, children will choose their school dinners with the teacher during morning registration, and £2.65 will be deducted from their dinner money account. No charge will be made if your child is eligible for Free School Meals.

Please can parents ensure that there are enough funds in the dinner money account (go to 'Accounts' section in Arbor) in advance for the child to be able to request a school dinner. Herts Catering Limited do not allow a debt to be incurred.

If you know your child will miss morning registration for an appointment etc, and they require a school dinner for that day, please ensure you let the office know their meal choice in advance.

The menus stay the same as they have been so far this term. A new menu will be created by Herts Catering Limited in October. The menus can be found on the school website and have also been attached for your reference.

Kind regards,
CHJS
