

CHS PTA invites your child to decorate a Christmas bauble to hang on one of the Christmas trees at school. We will supply you with a bauble ready to decorate in whichever way you want; pens, paints, decoupage, stickers, even glitter!

✦ We will deliver the baubles to your children's classes for them to bring home and decorate with you at home. Regrettably, we can't return your baubles once you've sent them back to school but you can buy as many as you like, why not buy a set to make for your own tree at home? The more you buy, the more money you raise for our school!

The baubles come in two different sizes and will be given at random, however, we will try our best to ensure siblings receive the same size.

Please use this link or QR code to purchase your baubles...order deadline is 16<sup>th</sup> December
