A BIT ABOUT EMER

Emer Stamp grew up on a sheep farm in Devon. Her first dream was to be a vet, but she didn't pass her biology. Her second was to design record covers, but the medium became obsolete. Finally, she moved to London and found success working in advertising. She created famous commercials for the likes of: John Lewis, Volkswagen, Cadburys and Harvey Nichols.

In 2015 she left the advertising industry to become a full-time author and illustrator.

Her first book *The Unbelievable Top Secret Diary of Pig* was a best-seller. It was followed up by *The Super Amazing Adventures of Pig*, *The Seriously Extraordinary Diary of Pig* and *The Big, Fat, Totally Bonkers Diary of Pig*.

In 2018 **The Big, Fat, Totally Bonkers Diary of Pig** was voted the funniest book for 6-8 year olds by the Lollies (Laugh Out-Loud Book Awards).
